Docket No. 98N-1265 5479 '99 MAY 21 P2 24  
Food and Drug Administration  
5600 Fishers Lane  
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: Limiting the health choices of  
Americans is unconscionable! We  
have a right to choose health care of  
our preference — regardless of the state  
in which the facility/practitioner are  
located.

Please consider the health of the Nation  
and the individual's right to choose!  
Let's completely eradicate the draft M.O.U.!

Sincerely, D.R. Cantor
